#### DEMOCRACY OR AUTHORITARIANS

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, I am grateful to serve as chairman of the U.S. Helsinki Commission, also known as the Organization for Security and Cooperation in Europe.

Last week, in Vienna, all democracies of the 57-member Parliamentary Assembly unanimously supported Ukraine and condemnation of war criminal Putin.

The world understands there is competition between democracies with rule of law opposed by authoritarians with rule of gun. War criminal Putin is sacrificing young Russians for oil, money, and power for himself.

Ukraine represents peace through strength and must be victorious in this conflict to avoid the Chinese Communist Party invasion of Taiwan and to stop the Iranian regime as it develops intercontinental ballistic missiles to vaporize Israel and bring mass murder to America.

America is not alone in understanding freedom is not free. The European Union has provided \$54 billion to Ukraine, and recently, Norway authorized another \$7 billion and Japan another \$5 billion. Over 52 nations are promoting eventual peace through strength for Ukraine.

In conclusion, God bless our troops, who successfully protected America for 20 years, as the global war on terrorism continues moving from the Afghanistan safe haven to America.

#### BRINGING CLEAN WATER TO EVERY COMMUNITY

(Ms. SCANLON asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. SCANLON. Mr. Speaker, last year, on my birthday, I was really excited to see that I had a kayak expedition on my calendar. I love getting outdoors and especially on the open water, but because I represent a district that has some of the oldest infrastructure in the country, it turned out that my kayak tour was an inspection of combined stormwater and sewer outlets on the Schuylkill River.

That is why I am more excited today to highlight that \$2.4 billion from the bipartisan infrastructure law is being invested in communities nationwide to support necessary upgrades to our infrastructure to increase access to clean water.

I am thrilled to see yet another wave of clean water infrastructure funding, including \$92 million for Pennsylvania, being invested in the health and safety of our families. Nearly half that fund-

ing is available as grants and forgivable loans to ensure that our most underserved communities can access the investments.

As I noted, some of our greatest infrastructure and environmental challenges facing southeastern Pennsylvania involve the need to address critical water, wastewater, and stormwater projects.

This new funding will protect the health of Pennsylvania's children and families.

#### CELEBRATING 50 YEARS OF GOLDEN CORRAL

(Ms. FOXX asked and was given permission to address the House for 1 minute.)

Ms. FOXX. Mr. Speaker, I rise to recognize a spectacular company that is headquartered in North Carolina, Golden Corral.

This year, Golden Corral and its many dedicated employees are celebrating 50 years of providing Americans across the country with home-cooked classics at an affordable price.

Mr. Speaker, what makes this company truly exceptional is its unwavering commitment to serving the communities in which it operates. From its various fundraisers to support local initiatives to its longstanding partnership with a national nonprofit to support veterans and their families, it is abundantly clear that Golden Corral lives and breathes service.

Congratulations to Golden Corral and its many employees on reaching such a historic milestone. Here is to many more years of service to America's countless communities.

#### HONORING THE LIFE OF DRACO MILLER

(Mr. PFLUGER asked and was given permission to address the House for 1 minute.)

Mr. PFLUGER. Mr. Speaker, I rise today in honor of Draco Miller, a cherished member of the Brownwood community who sadly passed away on February 16, 2023.

Draco was a father, husband, son, businessowner, and public servant to the community of Brownwood as a city council member, mentor to our youth, and leader in numerous service-oriented boards and organizations.

In 2022, Draco was named Man of the Year by the Brownwood Chamber of Commerce for his service to Brownwood. In his own words, he said: "This is my city, and I love my city. There is no place like home."

Although he loved and cherished Brownwood, his family was the most important facet of his life. He dedicated his life to passing along his long-held values of faith, family, and a strong work ethic.

He is remembered for his seemingly endless energy, optimism, and good will that carried him through decades of community involvement and community improvement projects.

Although we mourn his loss, I know his legacy will live on through his wife, Sonja; their children; many extended family members; and the entire Brownwood community.

#### RESPONDING TO THE EARTHQUAKES IN TÜRKİYE AND SYRIA ON FEBRUARY 6, 2023

Mr. WILSON of South Carolina. Mr. Speaker, I move to suspend the rules and agree to the resolution (H. Res. 132) responding to the earthquakes in Türkiye and Syria on February 6, 2023.

The Clerk read the title of the resolution.

The text of the resolution is as follows:

#### H. RES. 132

Whereas, on February 6, 2023, a magnitude 7.8 earthquake struck central-southern Türkiye, followed by a magnitude 7.5 earthquake later the same day, followed by over a thousand aftershocks in Türkiye and north-west Syria;

Whereas the earthquakes have caused massive death and destruction, killing more than 36,000 people and injuring tens of thousands more in Türkiye and Syria;

Whereas the United States Agency for International Development and other agencies mobilized Federal agencies and partners to provide life-saving assistance to the people of Türkiye and Syria;

Whereas dangerous freezing winter weather conditions negatively impacted rescue efforts and put earthquake survivors at further risk after thousands of buildings collapsed into rubble;

Whereas the Republic of Türkiye is a North Atlantic Treaty Organization (NATO) ally of the United States;

Whereas prior to the devastating earthquakes, millions of people in Syria were relying on humanitarian assistance, and Türkiye was hosting more than 3,500,000 Syrian refugees;

Whereas through 12 years of war in Syria, the Assad regime has impeded the delivery of humanitarian assistance to civilians, including those in areas now impacted by the February 6, 2023, earthquakes;
